A Season Subscription to the Post Playhouse has been purchased in your name!

Each Season Subscription entitles you to one ticket to any four or five different productions in our season.

You may call at any time throughout the season to claim your shows, dates, and times—but don't wait too long. Our performances often sell out and we don't want you to miss out on using your subscription. And neither does the person who bought it for you!

Email or call to make reservations:
tickets@postplayhouse.com
308-665-1976

Season Subscriptions are non-transferable and must be used on all different productions
