Instructions

Whoever is lucky enough to use this certificate is sure to have a great time seeing one of our shows this summer!

The “from” and “to” fields are probably pretty self-explanatory, so we’ll leave you to figure those out.

Go ahead and write in the dollar amount of this certificate so your intended recipient knows what kind of tickets they are able to purchase. The price list is for your convenience.

The “record locator” can be found in the confirmation email you received after you made your purchase through our ticketing website. It will be a series of six capital letters. The record locator is the code that makes a gift certificate valid, so this certificate won’t do you much good without it.

If you are printing on nice paper you can download the Gift Certificate Backing Pattern to print on the backside before you cut it out.

Once it is filled out, just cut the certificate out and give it to the lucky recipient.

And don’t forget that seats must be reserved ahead of time by calling 308-665-1976.

We’ll see you at the theatre!
